### Description

The Riva Shuttle is a fast boat and very spacious; the design is sinuous and the boat is totally "open space", with many peaks, with comfortable sofas and a large sun deck. Equipped with a windscreen with a great design that wraps around the helm station. At the bow a comfortable pull-out awning; within seconds it protects both the dining area and passengers at sea. This boat is in excellent condition, works done 2018: total varnishing of the sides and interior, new teak. Further info on request.

**Main data**
