Description

Baglietto is a yard that has made the history of Italian shipbuilding and that has contributed decisively to the success of Made in Italy in the world. Thanks to the skill and build quality, design innovation and the obsessive attention to every detail, the Cantieri Baglietto is one of the most popular shipyards in the world. The Baglietto 20M comes from the great success achieved by 16.50M in the 60s and is a refined and luxurious motor yacht. This motor yacht has been completely and maniacally restored between 2013 and 2015. Available on request the long list of carried works.
