Description

That Offshorer Montecarlo 30 was totally and maniacally refurbished in 2015, restyling by specialized and noted shipyard; overhauled engines, new upholstery, dismantled-checked-refitted in every single part, new chrome, completely repainted in metallic gray and blue, cabriolet capote; a modern-minimal design of this unmistakable and mimic speedboat. Really well done, better than new, to be seen. Work and equipment list and further info on request.
