

Yard	Sessa
Model	Fly 47
Category	Fly
Visible to	Italy
Region	Ligurian
Price	720000 €
VAT	Paid

Description

Yacht FLY 47 is a true turning point in this segment of the market. Rather than calling it a Sporty Flybridge, Sessa Marine introduces the concept of the advanced open yacht for its FLY 47. In fact, this 47 feet yacht, has certainly been noticed for its three very comfortable and livable cabins, bathrooms and separate shower stalls, for the spacious and ergonomic galley and a brightly living area as well as for a flybridge of more than 20 sqm able to comfortably host 8-10 people. The great qualities of navigability, derived from the experience of the "older sisters", make it a very safe hull. That yacht is new, never used, only 11 hours sailing, full optionals. Further info on request.

Main data

Length	14.27 mt
Beam	4.39 mt
Draft	1.10 mt
Registration year	2018
Built Year	2018
Max speed	31 kn
Cruising speed	25 kn
Displacement	14500 kg
Flag	German
People capacity	12

Material of construction

Hull	GRP
Deck	GRP
Deck house	GRP

Hidraulic systems

N. tanks	2
Capacity	560 l
Boiler	Si
Autoclave	Si

Electrical systems

Voltage	12-24-220 V
Chargers	Si
N. batteries	9
Capacity	900 Ah
Generator 220V	Si
Power	Onan 6,1 kW
Inverter	Si

Fuels & Engines

N. engines	2
Power HP	435 HP
Fuel	Diesel
Brand	Volvo Penta
Model	IPS 600 D6
Consumption	80 l/hr
Transmission	IPS
Engines hours	11
N. tanks	2
Capacity	1270 l
Material	Stainless steel

Details

Disposition of interiors	<p>In the lounge, light is the name of the game thanks to the large windows (2 of which can be electrically opened). The kitchen is installed on the upper deck in a chromatically delineated area, aesthetically blending into the decor. The master cabin is endowed with large wardrobes with integrated drawers and a bathroom with box shower and chromo therapy. The 2 guests cabin with its own toilet and separate shower is equipped with twin beds that can easily be converted into a double bed.</p> <p>On a fly with truly outstanding optimisation of space and dimensions (17m²), there is a large table and corner sofa for 10 guests (more guests than those participating in the cruise!), a kitchen cabinet and a bench at the front, which, when the backrest is folded away, cleverly extends the big sundeck. The large hydraulic platform, a real asset for getting into the water, snorkelling and launching the tender, can carry up to 600 kg.</p>
Equipment	<p>DECK: Bow roller - electric anchor winch - 20 kg anchor and 10 mm chain in galvanized steel 50 m - anchor safety cable - S/S fairlead - S/S bow pulpit with starboard opening - fuel tank inlet located portside and starboard side - Fresh water tank inlet - black water tank drain outlet from shore - Stainless steel bow, mid-ship and stern cleats - stainless steel stern fairlead - bow sunpad with S/S handrail and glass holders - bow storage with fiberglass hatch - hot/cold shower - double electric windshield wiper with washer.</p> <p>COCKPIT: Teak decking - sofa with storage for liferaft underneath seats - extensible teak table - cockpit and fly courtesy lights control -glass sliding door for dinette access - stereo loudspeakers - waterproof halogen lights - 230 v shore water plug - high pressure water inlet - hot/cold shower - engine room access - stainless steel flybridge stairs with teak steps - stainless steel stern gates.</p> <p>BATHING PLATFORM: Teak decking - disappearing S/S bathing ladder - disappearing cleats for tender mooring.</p> <p>SALON: Front and side glass windshield with side sliding electric window - walnut furniture with storage for disappearing tv and fridge - c shaped</p>

salon tissue sofa with underneath storages - telescopic table with extensible glazed wengé top and upholstered panels - glazed wengé cabinet with open compartment and housing for electric panel and stereo cD/ DVD - carpet floor - upholstered retaining frames for curtains - wooden venetian blinds - dimmer halogen spot lights - tissue salon door curtains - stairs to access to lower deck with carpet steps - stainless steel handrails.

CONSOLE IN SALON: Three dimensional dashboard with leather sunlid, compass - engines instrument board complete with: analogic and digital indicators for engines parameters (rpm, oil pressure, water temperature, engine warning alarm, fuel level) - analogic rudder indicator - back-lighted switch panel for deck services - volvo Penta electronic engine controls - joystick control - electric hydraulic flaps control - anchor winch control - red courtesy light control - fire control for manual extinguisher - lighter socket - display 2" Evc volvo - Gps Raymarine Axiom 12 - leather steering wheel - adjustable pilot bench - gloves compartment - stainless steel handrail - wooden floor - walnut footrest.

GALLEY: Kitchen furniture with lacquered ivory doors, S/S top with integrated sink, mixer tap, 3 rings glass ceramic hob with pots holder predisposition - chest of drawers and compartments - 75 l refrigerator - cabinet with lacquered doors, suction hood and microwave - side sliding electric window - wooden venetian blinds - halogen spot lights - power sockets - nut wooden floor. MASTER CABIN (BOW): Double bed with storage underneath, mattress, pillows, bed sheet cover - glazed wengé drawer under bed - upholstered bedframe and sides - glazed wengé objects case - glazed wengé headboard with upholstered frame and panels - nut wardrobes with mirrored doors - carpet floor - reading lights - halogen spot lights - power socket - S/S openable porthole - wooden venetian blinds - foredeck hatch with darkening panel - direct access to private bow toilet.

MASTER CABIN TOILET (BOW): Walnut sink furniture with corian top, ceramic sink and mixer tap - cabinet with mirrored shatters - wooden floor - wooden venetian blinds - S/S openable porthole - direct access from master cabin - power sockets - halogen tight lights - bathroom accessories - plexiglass shower box with teak floor, ceiling head shower and mixer tap - marine Wc with teak folding seat - storage with teak frame.

GUEST CABIN (STARBOARD SIDE): 2 single beds convertible in 1 double bed - mattresses, pillows, bedsheets covers - upholstered frame and side panels - mirrored headboard - openable storages underneath bed headboards - nut wardrobe with mirrored door - carpet floor - reading lights - halogen spot lights - power sockets - S/S openable porthole integrated in the lateral panoramic window - wooden venetian blinds.

GUEST TOILET/DAILY: Walnut sink furniture with corian top, ceramic sink and mixer tap - cabinet with mirrored shatters - wooden floor - wooden venetian blinds - S/S openable porthole - double access from starboard side cabin and corridor - power sockets - halogen tight lights - bathroom accessories - plexiglass shower box with teak floor, hand shower with adjustable sliding rail and mixer tap - marine Wc with teak folding seat - storage with teak frame.

GUEST CABIN (LEFT SIDE): 2 single bed - mattresses, pillows, bedsheets covers - upholstered frame and side panels - mirrored headboard - walnut mirrored wardrobe - carpet floor - reading lights - halogen spot lights - power sockets - S/S openable porthole integrated in the lateral panoramic window - wooden venetian blinds.

FLYBRIDGE: Front and side plexiglass windshield with stainless steel handrails - handrails for stairs - courtesy lights - mast with: horn, navigation lights, anchor lights, flag holder, GPS antenna - aft sofa with storage underneath - openable teak table - bow sunpad with storage underneath - console cover.

CONSOLE FLY: Dashboard - engine instrument board complete with: analogic and digital indicators for engine parameters (rpm, oil pressure, water temperature, engine warning alarm, fuel level) - back-lighted switch panel for deck services - steering wheel coordinated with upholstery - volvo Penta electronic engine controls - joystick control - hydraulic flaps control - anchor winch control - 12 v socket - cartographic GPS Raymarine Axiom 12'.

ENGINE ROOM: 2 X 636 fuel tank - fuel sender connected to Evc volvo system - compensation pipe for connection fuel tank valves - manual shut-off valves - vOLvO fuel filters with fuel separating - hydraulic flaps - Automatic/manual fire extinguisher with console control.

HYDRAULIC SYSTEM: 560 l tank - water pump with filter- 60 l electric boiler (230 v) - electric bilge pumps with manual/ automatic starting.

BLACK WATER TANK SYSTEM: 165 l tank - pump for tank sea discharge and shore suction system - Wc fresh water flush.

GREY WATER SYSTEM: 160 l tank - manual discharge pump.

ELECTRIC SYSTEM: 4 batteries 100 Ah / 12 v for engines 0- 4 batteries 100 Ah / 12 v for services - battery 100 Ah / 12 v for generator - automatic battery charger - 230 v shore power - emergency manual battery switches - converter - generator 6,1 kw - 24v electric
